General Meeting Rules

All exhibitors must adhere to the following rules and regulations and other rules and regulations that may be promulgated by the North American Spine Society (NASS), all of which are incorporated by reference as part of all exhibit space rental agreements.

1. Interpretation of Rules
NASS shall have full power in the interpretation and enforcement of rules and regulations governing exhibitors. Issues and questions not covered by the regulations shall be subject to the final judgment and decision of NASS. NASS may amend these rules and regulations at any time, and the amendments so made shall be binding upon the exhibitor equally with these rules and regulations, and shall become a part thereof, providing the exhibitor is notified of the amendments. Notice may be verbal or in writing, before or during the 33rd Annual Meeting, and may be given to any authorized agent or representative of the exhibitor.

2. Purpose of Exhibits
The North American Spine Society, a nonprofit scientific and educational association, sponsors the NASS Annual Meeting. The purpose of the technical exhibits, an integral part of the Society’s educational activity, is to complement the professional meetings and clinical sessions by enabling registrants to evaluate the latest developments in equipment, supplies and services that are relevant to spine care. NASS does not in any manner endorse any of the products or services related to the exhibits that have been accepted for display and sale during the Annual Meeting.

3. Eligibility to Exhibit
The Technical Exhibition is designed for the display, demonstration, and sale of products and services relating to the practice and advancement of the art and science of Spine Care and the professional education and support of the members of NASS. NASS reserves the right to refuse space to any company who has failed to meet prior financial commitments to NASS, or whose products or services, in the opinion of NASS, do not meet the educational, scientific, or practice needs of NASS members. NASS reserves the right to limit the number of exhibitors in a given product or service category.

4. Insurance and Liability—Certificate of Insurance Requirement
Exhibitors shall be fully responsible for any claims, liabilities, losses, damages or expenses of whatever kind and nature relating to or arising from an injury to any person, or loss of or damage to property where such injury, loss or damage is incident to, arises out of, or is in any way connected with the exhibitor’s participation in the exhibition. Exhibitors shall protect, indemnify, hold harmless and defend NASS, its officers, directors, agents, members and employees against all such claims, liabilities, losses, damages and expenses, including reasonable attorney’s fees and cost of litigation, provided that the foregoing shall not apply to injury, loss, or damage caused by or resulting from the negligence of NASS, its officers, directors, agents or employees.

A Certificate of Insurance is to be submitted to NASS by July 24. Exhibitors should maintain general public liability insurance against claims of personal injury, death or property damage incident to, arising out of, or in any way connected with their participation in the exhibition, in the amount of not less than one million dollars ($1,000,000) for personal injury, death or property damage in any one occurrence. Such insurance should include coverage of the indemnification obligations of exhibitors under the policy and procedures and should cover NASS as an additionally named insured.

Each exhibit company is responsible for obtaining, for its protection and at its expense, such property insurance for its exhibit and display materials as the exhibitor deems appropriate. Any policy providing such property insurance must contain an express waiver by the exhibitor’s insurance company of any right of subrogation as to any claims against NASS, its officers, directors, agents, members or employees. The exhibitor further waives any claim against the North American Spine Society and its agents, employees, representatives, successors and assigns, arising out of the oral or written publication of any statement made in connection with the Annual Meeting by anyone not an employee of NASS concerning the exhibitor or their exhibit. If any part of the exhibit hall is destroyed or damaged, preventing NASS from permitting an exhibitor to occupy assigned space during part or all of the exhibition, or in the event occupation of assigned space during part or all of the exhibition is prevented by strikes, Acts of God, national emergency or other causes beyond the control of NASS, exhibitors will be charged for space during the period it was or could have been occupied; and exhibitors hereby waive any claims against NASS, its directors, officers, agents, members or employees for losses or damages that may arise in consequence of such inability to occupy assigned space, its sole claim against NASS being a refund of rent paid for the period it was prevented from using the space.

5. Space Selection
The priority point application deadline is April 6, 2018.

Space is selected via an online booth assignment. This will allow you to select your booth from those available in real time. Space selection will take
place the week of May 7-10, 2018.

Your appointment time, determined by priority points, will be sent to you via e-mail on April 23 with more detailed instructions on the process. (Applications received after April 6 will be assigned as they are received after the initial booth assignment.) Priority points are awarded by past participation based on booth size and the number of consecutive years of participation in the previous five NASS Annual Meetings. Companies that have merged with, been purchased by, or have purchased another company may use the exhibit history from either company, whichever is more favorable, but not the combined history of both companies. Priority points are non-transferable and may not be used by parent or subsidiary companies. Submission of an application does not guarantee space availability, nor does it guarantee size or location.
6. Booth Payments
A 100% deposit must be received before the application can be processed and space assigned. Payments may be by credit card, by check or wire transfer. Check or wire transfers must be received within 10 days of application submission or reserved space will be released. The premium fee $300 for corner booth space will be invoiced after the booth selection process. It does not have to be included at the time the Booth Application is submitted.

7. Space Relocation
NASS reserves the right to relocate an exhibitor at any time with the understanding that if the exhibitor does not agree with such relocation to the extent that the exhibitor cannot participate in the Annual Meeting, the deposit and/or full payment for exhibit space will be fully refunded. NASS reserves the right to change the exhibit floor plan if conflicts arise regarding space requests or conditions that are beyond the control of NASS. NASS reserves the right to locate exhibitors demonstrating loud apparatus, conducting odor producing activities, or engaging in any other activity NASS deems, in its sole discretion, to be a nuisance or distraction to others, to an area where the noise, aroma, or activity will not interfere with other exhibits.

8. Subletting of Space
The subletting, assignment or apportionment of the whole or any part of an exhibitor’s space by the exhibitor is prohibited. Exhibitors may not advertise or display goods in their exhibit other than those manufactured or sold by them in the regular course of business. Should any subletting be found both the lessor and lessee shall be asked to vacate their space immediately, lose all priority points for that year.

9. Cancellations or Reductions in Space
Cancellation of exhibit space must be made to NASS in writing. A refund, minus a 50% cancellation fee, will be made if the cancellation is received by May 30, 2018. Any company canceling after May 30, 2018, will pay a 100% penalty. Canceling companies may not cede exhibition space to other companies; exhibit space is the property of NASS, is non-transferable and available space will be assigned according to the wait list process. All reductions in space require the approval of NASS and may result in space reassignment.

Cancellation of space waives the privileges granted to exhibiting companies, ie, registration lists, exhibitor badges, etc. The cancellation fee may not be used to defray the cost of new orders such as Commercial Business Interest badges. Space reduction is considered a cancellation of space and will follow the rules and deadlines noted above.

In the event that the 33rd Annual Meeting is cancelled, shortened or moved because of circumstances beyond NASS’ control, including but not limited to acts of God, labor disputes, acts or threats of war, acts or threatened acts of terrorism, natural disaster, unavailability of the Los Angeles Convention Center, or any other event which would make it impractical for more than 25% of the registered attendees to attend, NASS reserves the right - in its sole discretion – to cancel its agreement with Exhibitor. In such an event, Exhibitor expressly waives any claims it may have against NASS, including, but not limited to, any damages for fees paid by the Exhibitor for exhibit space or other terms in connection with its exhibit space or other items in connection with its planned appearance at NASS 2018.

Companies may not sublet per rule 8; should any subletting be found both the lessor and lessee shall be asked to vacate their space immediately and lose all priority points for that year. Canceling companies may not cede exhibition space to other companies; exhibit space is the property of NASS, is non-transferable and will be assigned according to the wait list. In all cases, the decision of NASS shall be final and binding on all parties.

10. Wait List
In the event that NASS runs out of available exhibition space, a wait list will be formed. The wait list will be operated on a first-come, first-served basis, based on time/date receipt of application, regardless of size requested, priority points, past participation, contributions or relationships to other companies.

11. Exhibit Hours

Should a registered Exhibitor Representative be unable to attend the meeting, his/her badge fee may be transferred to another person until Tuesday, September 25 at 4:00 pm. Only the Designated On-site Contact can authorize this transfer. Either the Designated On-site Contact would need to accompany the representative to the Exhibitor Registration counter to authorize this or the representative would need a signed letter from the exhibitor representative on company letterhead, noting both the representative who is being replaced and the representative who is taking his/her place. All badges will be distributed on site.

15. Defacing or Forgery of Exhibitor Badges
Defacing or forgery of exhibitor badges by representatives of a company will be considered a violation of show rules by the company and will be treated as a violation by that company.

16. Admission to General/Scientific Sessions and Receptions

marketed products. All products that are not FDA approved for a particular use in humans or which are not commercially available in the United States will be permitted to be displayed only when accompanied by appropriate signs that indicate the product’s FDA clearance status. An Exhibitor Service Manual containing complete show information and order forms for all show services will be available to each exhibiting company in mid-May, 2018. All forms should be completed and submitted in advance of the meeting to ensure adequate labor, equipment, etc. is available for a smooth setup. Forms will be included for the following services to be provided by the official service contractors: labor, material handling, electricity, furniture rental, signs, rental displays, utilities, photography service, audiovisual, telephone, florist and cleaning.

All booths are 10’x10’ or multiples thereof. Inline booths will be equipped with an 8’ high back drape, 36” high side rails and a 7” x 44” identification sign displaying the exhibitor’s name and booth number.

29. Inline Booths
The backwall height of Inline booths must not exceed 8’ in height unless located along the hall perimeter—such booths may be 12’ in height. Display material must be arranged in such a manner as not to obstruct sight lines of neighboring exhibitors. The maximum side height of 8 ft. is allowed only 5’ forward from the back wall of the booth space, with a 4 ft. side height restriction imposed on all materials in the remaining space forward to the aisles. When three or more linear booths are used in combination as a single exhibit space, the 4 ft. side height restriction is applied only to that portion of exhibit space which is within 10 ft. of an adjoining booth.

30. Island Booths
An island exhibit is an open area of exhibit space with aisles on all four sides. Island exhibits may occupy 100% of the rental space, but must provide access to the booth from all four aisles. A 50% see-through effect on that portion of the booth from the floor up to 8’ in height is required so as not to totally obstruct booths located on any side of the island. There is a 25’ height limit. Conference rooms or office enclosures must be constructed of materials that provide at minimum partial see-through visibility or light penetration.

Important: Booth rendering for island booths (single story and multi-story) must be submitted to the NASS Exhibit Manager for design approval by August 16, 2018.

Drawings should include all display components including hanging signs, with their dimensions. If the design is not submitted and the construction is determined to be in violation of the above restrictions, NASS has the right to prohibit assembly of the booth, or to order disassembly when and if a violation becomes apparent. To avoid potential issue on site, a floor plan should be submitted for review.

Additional Rules and Regulations apply to Multi-story and covered exhibits in Rule 33.

End-cap booths (a 10’ x 20’ space spanning two aisles) or peninsula booths (a 20’ x 20’ booth or larger attached to an in-line row) are not permissible.

32. Booth Arrangement and Construction
All exhibits must be confined to the spatial limits of their respective booth(s) as indicated on the floor plan and all equipment, products or materials to be shown or demonstrated must be placed within the exhibitor’s contracted exhibit space in order to ensure attendees viewing the exhibit will stand within the said space, not in the aisles. All exposed parts of displays must be finished so as to present an attractive appearance when viewed from the aisles or from adjoining exhibits. The exposed portions may be draped at the exhibitor’s expense. All tables used in an exhibit space must be skirted. No pins, tacks or adhesives of any kind may be attached to the convention center structure including walls or columns. No nails or bracing wires used in erecting displays may be attached to the premises. Exhibitors are responsible for compliance with the Americans with Disabilities Act of 1992 with regard to their booth space. Companies may not engage in any activity to drive attendance to specific NASS sponsored educational sessions. Promotion of any NASS 2018 CME educational sessions, e-posters, speakers, etc. before, during, or after the Annual Meeting by companies via mailers, advertisements, email or posters is against ACCME regulations, threatens NASS’ accreditation status and may result in penalties not following the sequence outlined in the prospectus. This includes promotions featuring the name of the speakers, time and location of the presentation, name of the presentation, poster title or authors. Any and all market research efforts are required to be conducted from within one’s exhibit space. Soliciting on the show floor or within the center is not permitted. All personnel staffing these booths must be registered as exhibitor representatives.

64. Advertising at NASS Contracted Venues
NASS considers the Los Angeles Convention Center facilities and the hotels within the NASS block to be industry neutral for the duration of NASS 2018. All marketing at the convention center and the hotels within the NASS block will take place within a company’s contracted booth space or as specified by the terms of a defined NASS advertising opportunity or sponsorship. NASS considers the surrounding sidewalks and public fixtures to be contiguous with the Los Angeles Convention Center and the hotels within the NASS block and therefore to be free from advertising. This includes but is not limited to: sidewalk advertisements, sandwich boards, Segways or carts bearing advertising, posters, “footprints” and pamphlet distributors. By submitting an application to exhibit the exhibitor agrees to abide by the spirit of rule 64 and refrain from forms of marketing at the center and at NASS venues in ways not specifically mentioned in this rule.

Special Note: In Los Angeles both the Intercontinental Hotel and the Courtyard Marriott both have multi-story external video screens. These screens are operated by external companies separate from hotel operations. - First Violation: Loss of the current year’s priority points.
• Second Violation: Loss of one-half of the accrued points.
• Third Violation: Loss of the remainder of points, removal from the show floor and one-year suspension of exhibiting privileges.

Disciplinary action will be progressive according to the above sequence, whenever possible. NASS reserves the right to restrict and/or dismiss at any time any exhibit that it deems — in its sole discretion — undesirable.
